Information we might need to know about your child: (allergies, reactions to medicines, medications currently taking)

I understand that in an emergency, every attempt will be made to contact an immediate family member. However, in the event that one cannot be contacted, I request and authorize medical personnel to provide all reasonably necessary medical care for my child including, but not limited to hospital tests, such as pathology, radiology, anesthesia, surgery, and prescription drugs advisable for the health of my child. I acknowledge that no representations, warranties, or guarantees as to results or cures will be made.

RESCUE IN THE NIGHT

MAD (AMP) is a day camp for those entering grades 3-8 who enjoy the arts. During the week, campers will have the opportunity to experience a taste of music, drama and crafts as they assemble the drama, "Rescue in the Night."

The story tells the timeless tale of a faithful man of God, Daniel, and how his faith helps him survive not only a night in a den of dancing, rapping lions but ultimately prevail in the political intrigue that was ancient Babylon.

MAD (AMP) also includes time for learning the art of handbell/chime ringing, as well as road-trip adventures, like swimming, bowling, and miniature golf! The week concludes with a church-wide covered dish dinner and performance by the MAD (AMP) participants.

Cost of MAD (AMP) is \$100 per participant, with a discounted rate (see registration page) if a parent or high school sibling volunteers 3-5 days of camp.

MAD (AMP) is directed by Len Langrick, Director of Music at Towson Presbyterian Church. For more information, please contact Len at the church, 410-823-6500; email: llangrick@towsonpres.org.
